Public Comment on Agenda:

~~New Business:~~

Worksession - Newly appointed township supervisor, Janice McCraner, made a few opening statements concerning the need for this work session. Public Comment: Many comments were made concerning issues facing our township. The work session continued with the board discussing and all board members agreeing that the township treasurer would move her office back into township hall. The board moved from the main part of township hall to the office area where discussion continued as to where her office could be moved and there would be no objection by other board members. It was agreed this would take place as soon as possible. Supervisor McCraner asked to be brought up to date on Three Lakes Sewer Agreement and trustee Wisner explained, to all those in attendance, what had happened thus far and what could possibly happen in the future

Adjourned by UC 8:27pm.

Respectfully Submitted,
Patrice C. Wisner/Clerk
