## Arcadia Daze 2026 July 24, 25, 26

Celebrating 45 Years of Fund Raising for Local Communities

Arcadia Daze is the primary fundraiser for the Arcadia Lions Club, with all proceeds reinvested directly into our local communities. Your 2026 sponsorship will support local high school scholarships, community charities, residents in need, and important community improvement projects.

Thanks to the generous support of our 2025 sponsors and Arcadia Daze attendees, the Arcadia Lions Club will be donating approximately \$35,000 back to area organizations. This includes \$10,000 in scholarships for local high school students, with a special focus on trade and technical education.

Your support has a direct and meaningful impact on our local communities. ***Can we count on your participation this year as a 2026 sponsor?***
